

Indigenous Languages Month

B	I	N	G	O
Watch a video of an elder speaking your Indigenous language on isuma.tv	Find another beginner speaker. Teach them one word you know.	Teach your pet one command in the language. If you don't have a pet, teach it to a friend's pet!	Create a mind map with 3 words you want to learn in your Indigenous language.	Create a meme relating to learning your Indigenous language.
Learn one descriptive word in an Indigenous language.	Try using an Indigenous language learning app	Learn the traditional name of the place you live AND the story of why it's named that.	Record yourself saying a phrase in your language.	Label 5 items in your kitchen in an Indigenous language. Practice pronouncing them.
Practice different tones and vowel sounds in your language.	Order a coffee, tea or hot chocolate in your language.		Draw and label something in your language.	Identify and write down your favourite word in your language. Describe why.
Listen to an elder tell a story in your Indigenous language.	Listen to an Indigenous language program on the radio.	Learn how to ask someone how they are doing and how to respond.	Learn the traditional names of at least 2 plants in your community. Share on social media.	Send an email to someone with a phrase in your language.
Learn about a popular art form in your community.	Try a traditional food. Share a photo on social media.	Cook a meal. Learn the names of some food in the language.	Learn and share the names of 3 or more traditional activities.	Learn how to say "My parents are..."

Your Indigenous language can be the Indigenous language your family speaks or the language spoken in the community where you live.
