Physical Literacy - Keeping active in the winter

During the long, cold winter months it can be hard to find the motivation to get outside and stay active. While we definitely approve of staying cozy indoors and catching up on a good book, here are some suggestions to keep your physical literacy sharp as well...[Read more](#)

We're the family, youth and adult literacy and essential skills centre for excellence.

We support literacy and essential skills in all the official languages of the Northwest Territories.

We're also plain language specialists.

News, Opinion, and Research

Short story vending machine lands in Edmonton airport

The Edmonton International Airport recently became home to a strange new machine. "It's like an ATM, but you get literature out of it," says Jason Norman, a writer and publisher from Edmonton...[Read more](#)

I am proof libraries are critical to solving cultural poverty

When I was a child, my mother sat with my brother and I every night to read with us. Books were thus among the first windows through which we observed the world. It was before the divorce and the bankruptcy. Before we lost the house with a good part of what it contained...[Read more](#)

Tax agency allows low-income Canadians to file returns by phone

Low-income Canadians will be able to file their tax returns by phone this year. Under a new automated service called "File My Return" about 950,000 Canadians with incomes that don't change from year-to-year can file their returns by answering a series of questions over the telephone...[Read more](#)
