

To family literacy providers, schools, libraries, and early learning centres

Did you know?

The NWT Literacy Council has a wide variety of resources that you may borrow.

We have storybags and felt stories that you may borrow for two-week periods.

We ship the parcel to you, and you ship it back when you are done. Storybags are large cloth bags that contain:

- A good quality picture book and supporting materials
- Soft toys of the main characters
- Props and scenery related to the story
- A non-fiction book linked to the story
- An audio recording with the story
- A language game based on the book
- A “prompt card” with ideas for parents and teachers to develop children’s listening, reading, and writing skills

We have storybags for:

- *Kumak’s Fish*
- *The Polar Bear Son*
- *The Very Hungry Caterpillar*
- *The Mitten*
- *Five Little Monkeys*
- *A Barbeque for Charlotte*
- *The Paper Bag Princess*
- *On Mother’s Lap*
- *Peter’s Moccasins*
- *Walking in Dettah*
- *Stone Soup*
