Literacy This Week

Physical Literacy- Life in Motion

NWT Literacy Week September 24-30, 2017

We are very excited to announce the theme of NWT Literacy Week 2017:
Physical Literacy- Life in Motion

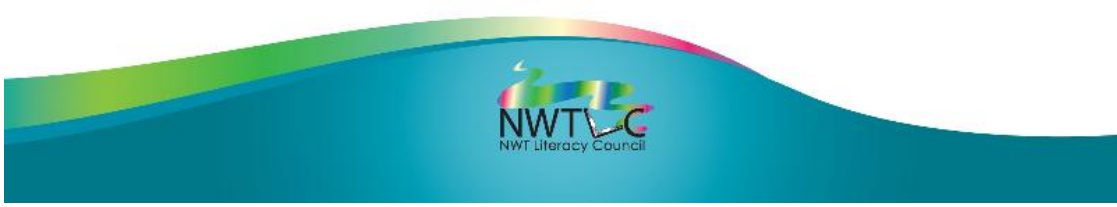

We hope that you have a wonderful week of exploring the connection between physical activity and learning, and the impact of each on our lives.

This year we are offering community organization grants of up to \$300 to help run an event during Literacy Week. The money can be used:

- to purchase or rent equipment and supplies
- space rental
- door prizes
- healthy snacks
- to promote your event
- to pay for staff or instructors.

Funding will be granted on a first come, first served basis, with one grant per community. If money is still available September 14, 2017, then second events in the same community will be considered. Only applications from community groups will be accepted, not individuals.
