

Attention all family literacy providers, schools, libraries and childcare centres!

Did you know? The NWT Literacy Council has a wide variety of resources that you may borrow.

**We have Story Walks® that you may borrow for two weeks. We will ship the parcel to you, and you ship it back when you are finished.**

Story Walks® combine the pleasure of reading a book aloud with the benefits of being active and outside. The children move from post to post to read the story. This develops a child's interest in reading while encouraging healthy outdoor activity for both children and adults.

**Story Walks® available:**

- *Kumak's River*
- *The Littlest Sled Dog*
- *The Moose Who Almost Got Me*
- *Up in the Garden and Down in the Dirt*
- *How the Raven Returned the Sun*

**Each kit contains:**

- Laminated story pages to hang on posts.
- Challenges to place throughout the story. These challenges keep the children engaged and active.
