My family is living on 54<sup>th</sup> Street, just two blocks away from my house.

I have two brothers. One is two years older than me. His name is Byron. He is twenty-two years old.

My younger brother, Brett is 18 years old. He is two years younger than me.

I have one older sister. Her name is Candace. She is one year older than me. She is 21.

I see my family often but I like living on my own.
