Reading and Picture Bingos

Reading and picture bingos are a great way to engage children and families in learning. We have included several bingos that you can use with different ages. The word bingo can be used with children in grades 2-8. The picture bingos can be used with young children and the alphabet bingo can be used with pre-school and kindergarten children.

You can use these bingos in several ways:

- ✓ At a family literacy night.
- ✓ In a classroom setting with children.
- ✓ At home with your family.
- ✓ At a local feast.
- ✓ In daycares or pre-school programs

In this *How to Kit*, you will find . . .

- ✓ Information on how to organize a family literacy activities night.
- ✓ 4 Bingos
 - Northern Word Bingo
 - Northern Picture Bingo
 - Animal Bingo
 - Alphabet Bingo
- ✓ Posters and invitations to advertise your event.

Steps to Organizing a Family Literacy Activities Night

1. Decide on a date for the event. Try to avoid clashing with other community events. That way you will get more people to come out.
2. Find a space in the community to hold the event - school, band office, nursing station, library, community hall.
3. Advertise the **Family Literacy Activities Night** at least one week before the event. Put posters up around the community, advertise on the local radio station, or green screen and hand out invitations at the school. Tell everyone about it! Posters and invitations are included in this package.
4. A **Family Literacy Activities Night** can include a variety of things, such as:
 - a. Storytelling by elders.
 - b. Reading circles or a reading party.
 - c. Reading bingo or picture bingo.
 - d. A variety of family literacy centres -
 - A reading circle centre.
 - A craft centre, where people create literacy activities to use at home.
 - A games centre, where people create games that teach your children about words and numbers.

Celebrate Family Literacy in the NWT

- “My family” centre where families work on a family storytelling bag together
5. Decide on the activities that you would like to do for the event. If you are having centres, prepare them ahead of time. Make sure that you have all the materials you need for each centre.
 6. Welcome families as they arrive.
 7. Make sure that the families have an opportunity to visit each centre and to work together at the centres. Encourage parents/caregivers to take home the materials that they have made and use them with their children.
 8. Have a snack at the end of the night and invite families to come again.
 9. Call the NWT Literacy Council if you would like help with your event. Within the NWT, the NWT Literacy Council can provide free books for prizes, help with the organization of the event and provide training for facilitators.
 10. Ask the local paper to come to your event and do a story about family literacy.
